

# Exploring Opportunities for Digital Wellbeing Measurement

Sarah Sahabi, Farhadiba  
Mohammed, Paul Preuschoff

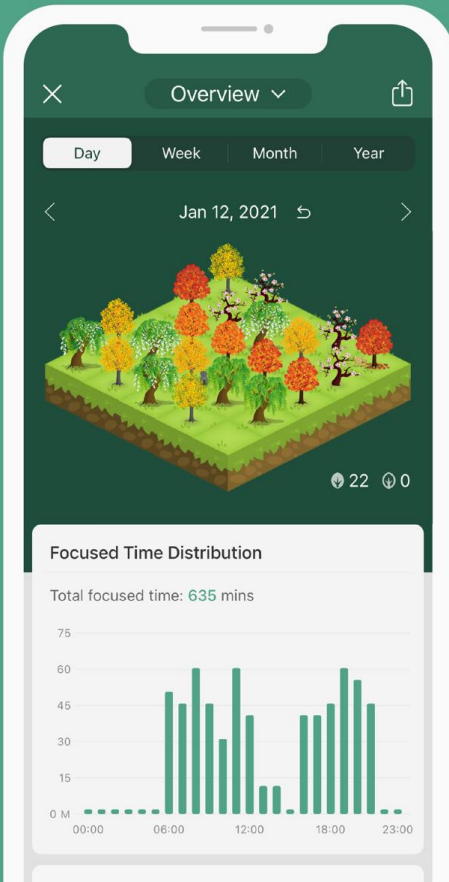

# Digital Wellbeing

*Digital wellbeing is about finding a balance with technology, that feels right for you.*

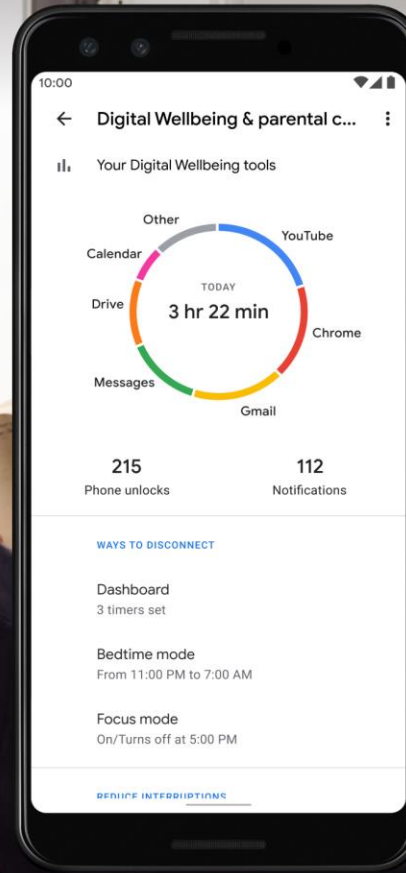

*Digital wellbeing considers the impact of technologies and digital services on people's mental, physical and emotional health.*

Create your Own Forest  
Every tree represents your effort

# Key Take-aways

**Digital Wellbeing is not a clearly defined construct**

**Self-report is not a suitable measurement for digital wellbeing**

**There are differences in app categories, so they should be treated distinctly**
