Exam

Exam

- We do not have more information than you have currently
- We are actively working on alternatives

Milestone 4

General Remarks

- The UI should contain the same information content as the real UI. E.g. no placeholders.
- Overall the prototypes were good

Milestone 5

Milestone 5

- How to do the user study
 - Do only talk as little as possible
 - Mostly observe
 - Do not answer questions about what users are supposed to do. Only explain what is happening
 - Ask about a specification of what to do if you are unsure what the user wants you to do

CHAPTER 4

Evaluation
