Exam

Exam

- We do not have more information than you have currently
- We are actively working on alternatives

Milestone 5

General Remarks

- Be specific about the pros and cons. Don't say the interface was well understood or the feature did not work
 - What worked well?
 - What did not?
- Better
 - Users were able to locate the button to exit the app
 - Users were not able to discover that the green text was clickable
- Most of you reacted well to the user's feedback by identifying problems in their solutions
- You did well on how you implemented your prototypes in the virtual study situation

Milestone 6
